1. Introduction

The model number is located on the bottom. Please record the serial number in the space provided below. Refer to these numbers whenever you call upon your COMMAX dealer regarding this product.

Model No.

Serial No.

To prevent fire or shock hazard, do not expose the unit to rain or moisture.

This symbol is intended to alert the use of uninsulated “**dangerous Voltage**” within the product that may cause the insufficient magnitude to constitute a risk of electric shock to persons.

This symbol is intended to alert the use to the presence of important operating and maintenance(servicing) instructions in the literature accompanying the appliance.

caution

Risk of electric shock
do not open

CAUTION: To reduce the risk of electric shock, do not remove cover (or back cover) no user-serviceable part inside. Refer service to the service personnel

2. Cautions

- ▲ Do not install it to extremely hot or cold places.

If used at a place where the temperature is higher than 40 °C or lower than -10 °C, it may cause deterioration of image quality or failure.

Pay attention to the ventilation, especially when installing in a hot place.

- ▲ Do not install it under humid environment.

Installing in a humid place will cause deterioration of the lens and cause low quality image.

- ▲ Do not install it to the flickering place.

Malfunctions may occur in high illumination changing areas, such as unstably flickering lightings.

- ▲ Do not install it to the place where it will be exposed to oil and gas.

Malfunctions may occur when oil or gas permeate to the products.

3. Overview

- ① Microphone : It delivers voice from a visitor
- ② Camera Lens : Transferring image
 - ※ It should be kept clean
