IP 2-Wire Products Upgrade

Original Model:
DS-KD8003-IME2
DS-KAD706-(S)P
DS-KH6320-WTE2(B)
DS-KIS702-P

New Upgraded Model:
DS-KD8003**Y**-IME2
DS-KAD706**Y**-(S)P
DS-KH6320**Y**-WTE2(B)
DS-KIS702**Y**-P

NOTE! Upgraded Y Models cannot be mixed with Non Y models in the same system.

The solution for this is to add a switch as a bridge to make a connection between new and legacy 2-wire system to make them work together.
